

Money Network PayCard

Your Pay, Direct to You.

ProPay is proud to offer PayCards to all of our employees. The PayCard program uses time-tested systems--direct deposit and ATM's--to allow employees easy access to their pay.

Instead of cashing their paychecks at expensive check-cashing stores, employees' funds are electronically deposited into their PayCard accounts every pay period. The PayCard lets employees access their pay at any time, letting them avoid long lines and costly check-cashing fees.

Sound too good to be true? It's not. Just fill out the enrollment information on this form and fax it back to ProPay at 480.945.1510. We'll take care of the rest.
